

# Ethics Paper

COSC 112: Dr. Sharad Sharma

**Paper Due: 12/4/2018**

*(Additional Presentations on Thursday, December 6 at 1 pm, if needed)*

Write a summary paper on the articles. Include

- Definition/explanation of the topic
- History – when did this become an issue (before or after computing technology)? How has the issue developed over time?
- Recent developments, in the past six months
- Analysis of the issue's impact (future trends)
- Include atleast 3 references. They should be cited in the paper.
- This is a formal paper; use correct grammar and formal language. Use the Style guidelines to follow APA style.
- Also prepare a 5 – 7-minute presentation (in power point) on your topic, to be presented in class. Include a visual display (perhaps a chart), to be shown on the overhead projector or given out as a handout.

## Summary Paper Requirements

- Length: 2 pages, Single spacing, 12" font, Times New Roman
- Introductory Paragraph
- Main Body Paragraph
- Conclusion Paragraph
- Heading: Name, Course-Section, Date
- An appropriate title

Properly cite your web sources in references section at the end of the document. To receive full credit:

Three complete paragraphs, (introduction, body, conclusion)	20 points
Appropriate content material	20 points
Heading	15 points
Spelling/Grammar	15 points
Sources properly cited	15 points
Document formatting (font, size, spacing)	15 points
